PREDGOVOR

Po dobroti Božje Providnosti objavljujemo zbirku crkvenih popijevaka, za kojom osjećamo potrebu već niz godina.

Stvaralački duh našega naroda oplemenjen u krilu svete i drage Majke Crkve uzvišenom naukom i Njezinim glazbenim bogatstvom - gregorijanskim koralom - postao je snažno vrelo, iz kojega je buknulo veliko mnoštvo popijevaka, kojima se svijet divi.

Popijevke iz naših najstarijih crkvenih pjevačkih zbornika triju izdanja Cithare octochorde (1701., 1723., 1757.) te dviju zbirki Đure Vejkovića (1801. i 1816.) - resi pravo umjetničko ruho. One odišu zdravom, iskrenom i dubokom pobožnošću.

Skladbe naših novijih skladatelja uvrštene u ovu pjesmaricu, naročito one od preč. g. prof. Albea Vidakovića, protkane su istim svojstvima.

Poradi tih odlika one uz strogo liturgijsku glazbu izvrsno pristaju kod Službe Božje.

U ovaj svezak uvrstili smo niz koralnih himana u prijevodu o. Milana Pavelića D. I. Koralne mise i obredi kroz crkvenu godinu predviđeni su za posebni svezak.

Ugodna nam je dužnost zahvaliti se svima onima, koji su nas u našem radu savjetovali i pomagali.

Neka ova pjesmarica bude na slavu Božju i na čast Blažene Djevice Marije koja neka nebeskim blagoslovom orosi sve naše duše.

U Zagrebu, na Duhove 1960.

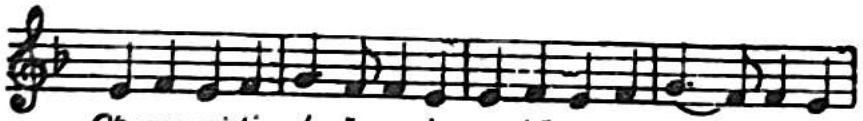
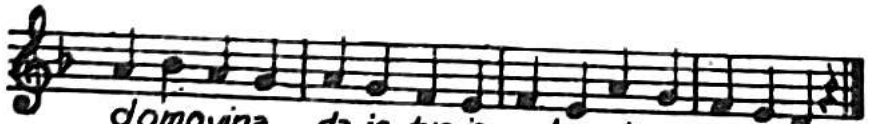
ZA ČIM HLEPIŠ
(KANTUAL 176)

1. Za čim hlepiš, srce moje, kakvo ti je ži-će sve?
   Če-mu tražiš blago koje, što svijet dati ne može?
2. Poštuj Boga, žrtvuj Njemu svoj vremenit život vas,
   Vjerno služit Svevišnjemu nastoj žića svaki čas
3. Dok je časa, dušo moja, stupaj putem kreposti,
   Da te naglo ne zateče poziv pred sud vječnosti



Oh, promisli, du-šo moja, rad čega si stvo-re-na,
Dr-ži zakon Svevišnjega, dok ti tra-je ži-ća tijek.
O Jsuse, slavo moja, nadari me mi-losti,



domovina da je tvo-ja nad zemljom uzvišena.
Grijehom nemoj vrijedat Njega, jer na grijeh Bog mrzi vijek.
Da zemaljskog poslije boja nađem mir u vječnosti.

ZBOGOM OSTAJ

molim sad: ti me brani, da ne možē
srcu svom. Za sve svoje grijehe, zloće

ne ćeš ću-ti grješnu riječ, slast će bit mi po-ko-ra.
ne-će stanu sr-cu mom i-mat vi-še ni-ka-da
protiv njega vodim boj, da ne zgriješim nikad več.
